

Sunreef 60

2022 Sailing Catamaran

The Sunreef 60 is an all-around sailing leisure yacht. This model boasts a combination of exterior and interior areas easily flowing into one another. A clever bridge deck and superstructure design allow for a superior level of comfort onboard whereas the generous teak use, high bulwarks and classy lines underscore her modern style with a classic edge.

With a completely fresh superstructure concept, the Sunreef 60 gains a saloon plan. A vast, central lounging space with a panoramic view, it opens both onto the bow terrace and cockpit. The bow benefits from a cozy lounge, well shielded from sun and wind. To the aft, the saloon merges with the generous cockpit extended with a large aft platform. All the areas combined form a universal, open environment where flexibility and freedom reign.

While housing the main helm, the 36m² flybridge is definitely dedicated to leisure with fully-equipped wet bar, a barbecue and large sun pads.

The hulls provide impressive volumes to set up a custom layout including airy, luxurious guest cabins and an opulent master suite with a walk-in dressing, desk, sofa, retractable TV and an immense bathroom. A perfect setting to unwind after a long day in the sun!

Specifications
